Club & Track Rules

- A club members key will provide access to the track for private practice on any day of the week except race day or any day the track is booked for other use. Refer to website for occasional notices regarding track closures.
- The gate must be kept locked at all times. If you find the gate open you are responsible for locking it regardless of who left it open.
- A club member must be able to produce their membership card, gate key and KA license at all times whilst at the track.
- Any member found lending his key to a non-member, could/will have their membership withdrawn or suspended without notice.
- Club members shall keep their children or those that they are hosting under control and any member or guest of any member caught vandalising or misusing the facility in anyway, could/will have their membership withdrawn or suspended without notice.
- All Members and their guests are subject to the rules and penalties outlined in the current KA manual.
- Consumption of alcohol, smoking or naked flames are not permitted at any time in the pit area. When a kart is located outside the nominated pit area, smoking within 5 metres of the karts or any fuel source is not permitted.
- The executive reserve the right to impose penalties on the club member for any misconduct or breach of the rules by the member or their guests as they see fit. The onus is on the member to ensure that they are familiar with or have a copy of the KA manual.
- The executive reserve the right to refuse or suspend any membership without notice.
- No driver that is considered affected by drugs or alcohol shall use the track at any time.
- Drivers must only drive karts with their current licence restriction. i.e. minimum B grade for unrestricted 125cc kart. All drivers changing classes must ensure that their licence has the correct endorsement BEFORE practicing in their new classes.
- Rubbish bins are provided for you to keep the facility tidy. Please use them to dispose of any rubbish.
- The track will be closed for practice or racing use when organised working bee's are in progress, the grass being cut or the track being maintained.
- No cars allowed on the track except during working bees.
- Approved safety equipment, as nominated in the current KA manual must be worn by any person

using the track. This includes race suit, boots, helmet, gloves and ear protection (ear protection is optional).

- Animals are NOT allowed at the track.
- All non drivers on the track shall be behind safety barriers and must wear a fluro safety vest when inside the track area.
- Persons using the facilities must never pit, refuel or oil a kart on any bitumen surface including the In-grid, Out-grid, track or weigh shed.
- Drivers must not voluntarily stop on any portion of the track. If the need to stop arises then they must pull onto the grassed infield or bituminised roll around. If the stoppage is the result of a crash the drivers shall raise their hands and when the track is clear remove the kart from the track. The kart shall only be restarted when it is safe to do so.
- Passengers are not allowed on karts.
- Race/practice direction will be indicated by the race direction sign and this will be adhered to at all times.
- Drivers must enter the track via the out-grid only and exit the track via the in-grid only using the correct hand signals displayed with adequate notice. Under no circumstances is the track to be exited via the out-grid or entered via the in-grid.
- During uncontrolled practice, karts must be pushed off from the out-grid furthest from the track. Karts must not be pushed past the no-go line (green line) painted across the end of the mechanical breakdown lane. Pushing of karts on the track proper should only occur when the track is clear and safe to do so.
- Drivers stopped on the track or in-field must not remove their helmets.
- All karts must meet current KA racing standards and must display appropriate numbers.
- Practice must be run per the rules of the KA rule book. There are 3 groups, Cadets, Juniors & Seniors. AT NO TIME AT ALL shall any of these groups be on the track together with NO EXCEPTION.
- Members are NOT permitted to practice on their own at any time.
- Track Disputes – If there is a conflict with other drivers please record Kart numbers and car Registrations and report details to the club.
- Cadet and Junior drivers must NOT be left at the track at any time without adult supervision.
- Children are not permitted on the track unless driving a kart.
- Tire treatments are banned. Refer to the KA manual.
- STRICTLY NO skateboards, roller skates, roller blades, scooters or bikes are allowed in the pit areas and on the track at any time.
- All traffic movement in the pit area shall be a registered vehicle and travel at a maximum of 20Kph (Club maintenance equipment excluded).
- Track times Central standard time 8am - 5:30pm
- Central daylight saving time 8am – 7:30pm
- If you are a new member you will need to obtain your license from KARTING SA (applications available online). A copy of the current KA rule book will be issued with your license.
- Once you have your license arrange for a GKCSA Club induction (STA) to obtain your gate key and you may start to practice subject to complying with the KA rule book. An OLT (observed license test) is required prior to racing so please contact a GKCSA OLT Officer (under contacts) to book a mutual time before you enter your first race meeting.
